GO TRAVEL

Offering products of exceptional quality and compelling value designed for travelers, Pelago™ has four categories of products; Comfort, Security, Organization, and Technology.

All products and packaging are designed to meet customer needs while also creating an attractive assortment that will be a great addition for any retail partner.

Pelago™ is about more than just selling products. Our mission is to use the sale of our products to support a bigger mission in the world. Since it's inception, we have pledged 1% of sales to the preservation and restoration of the beautiful places we love to travel.

We are proud to partner with 1% for the Planet in this effort. Please go to onepercentfortheplanet.org for more information.

Pelago™ is the latest offering from NWE Brands who has been serving with retailers for over 25 years.
